SUKI[®]
WATER SOLUTIONS

About the Company

SUKI meaning 'to be blessed' in our country. With that objective, we have launched a complete range of water solutions at affordable price range and admirable quality ranging from economy to luxury. Spread across South India, our mission is growth and vision is PAN India. With a very young panel board, SUKI provides extra care for innovation, serviceability, standardized production and quality targets. SUKI water solutions provide products from water supply to storage. They include, LLDPE Water Storage Tanks, Bathroom faucets, PVC & PTMT faucets, Stainless steel sinks, flush tanks and a wide variety of Accessories. With an existing dealers network of more than 2000, we aim at installing a repair mechanic at every major town for service reachability and technical knowledge.
